PROCLAMATION OF APRIL AS FAIR HOUSING MONTH

WHEREAS, Title VIII of the Civil Rights Act of 1968, as amended, prohibits discrimination in housing and declares it a national policy to provide, within constitutional limits, for fair housing in the United States; and

WHEREAS, the principle of Fair Housing is not only national law and national policy, but a fundamental human concept and entitlement for all Americans; and

WHEREAS, The National Fair Housing Law, during the month of April, provides an opportunity for all Americans to recognize that complete success in the goal of equal housing opportunity can only be accomplished with the help and cooperation of all Americans.

NOW, THEREFORE, WE, the City Council of the City of Manor, do proclaim April as Fair Housing Month in City of Manor and do hereby urge all the citizens of this locality to become aware of and support the Fair Housing law.

Passed and adopted by the City Council of the City of Manor, Travis County, State of Texas, on the 16th day of March, 2016.

APPROVED:

Rita G. Jonse, Mayor

ATTEST:

Frances M. Aguilar, City Secretary

**MUNICIPAL SERVICES PLAN
FOR PROPERTY TO BE
ANNEXED INTO THE CITY OF MANOR**

WHEREAS, the City of Manor, Texas (the “City”) intends to institute annexation proceedings for tracts of land described more fully hereinafter (referred to herein as the “subject property”);

WHEREAS, *Section 43.056, Loc. Gov't. Code*, requires a service plan be adopted with the annexation ordinance;

WHEREAS, the subject property is not included in the municipal annexation plan and is exempt from the requirements thereof;

WHEREAS, infrastructure provided for herein and that existing are sufficient to service the subject property on the same terms and conditions as other similarly situated properties currently within the City limits and no capital improvements are required to offer municipal services on the same terms and conditions as other similarly situated properties within the City;

WHEREAS, the owner(s) of the subject property agree they will benefit from the City’s development restrictions and zoning requirements, as well as other municipal services provided by the City, which are good and valuable consideration for this service plan; and

WHEREAS, it is found that all statutory requirements have been satisfied and the City is authorized by *Chapt. 43, Loc. Gov't. Code*, to annex the subject property into the City;

NOW, THEREFORE, the following services will be provided for the subject property on the effective date of annexation:

(1) **General Municipal Services.** Pursuant to the requests of the owner and this Plan, the following services shall be provided immediately from the effective date of the annexation:

A. Police protection as follows:

Routine patrols of areas, radio response to calls for police service and all other police services now being offered to the citizens of the City.

B. Fire protection and Emergency Medical Services as follows:

Fire protection by agreement between the City and the ESD’s present personnel and equipment of the ESD fire fighting force and the volunteer fire fighting force with the limitations of water available. Radio response for Emergency Medical Services with the present contract personnel and equipment of the ESD.

C. Solid waste collection services as follows:

Solid waste collection and services as now being offered to the citizens of the City.

D. Animal control as follows:

Service by present personnel, equipment and facilities or by contract with a third party, as provided within the City.

E. Maintenance of parks and playgrounds within the City.

F. Inspection services in conjunction with building permits and routine City code enforcement services by present personnel, equipment and facilities.

G. Maintenance of other City facilities, buildings and service.

H. Land use regulation as follows:

On the effective date of annexation, the regulatory and zoning jurisdiction of the City shall be extended to include the annexed area, and the use of all property therein shall be grandfathered; and shall be temporarily zoned "R-1" with the intent to rezone the subject property upon request of the landowner or staff. The Planning & Zoning Commission and the City Council will consider rezoning the subject property at future times in response to requests submitted by the landowner(s) or authorized city staff.

(2) **Scheduled Municipal Services.** Due to the size and vacancy of the subject property, the plans and schedule for the development of the subject property, the following municipal services will be provided on a schedule and at increasing levels of service as provided in this Plan:

A. Water service and maintenance of water facilities as follows:

(i) Inspection of water distribution lines as provided by statutes of the State of Texas.

(ii) In accordance with the applicable rules and regulations for the provision of water service, water service will be provided to the subject property, or applicable portions thereof, by the utility holding a water certificate of convenience and necessity ("CCN") for the subject property or portions thereof (the "CCN holder") and, as applicable, the utility providing wholesale or retail water service to said CCN holder. Absent a water CCN, by the utility in whose jurisdiction the subject property, or portions thereof as applicable, is located, in accordance with all the ordinances, regulations, and policies of the City in effect from time to time for the extension of water service. If connected to the City's water utility system, the subject property owner shall construct the internal water lines and pay the costs of line extension and construction of such facilities necessary to provide water service to the subject property as required in City ordinances. Upon acceptance of the water lines within the subject property and any off-site improvements, water service will be provided by the City utility department on the same terms, conditions and requirements as are applied to all similarly situated areas and customers of the City; subject to all the ordinances, regulations and policies of the City in effect from time to time. The system will be accepted and maintained by the

City in accordance with its usual acceptance and maintenance policies. New water line extensions will be installed and extended upon request under the same costs and terms as with other similarly situated customers of the City. The ordinances of the City in effect at the time a request for service is submitted shall govern the costs and request for service. The continued use of a water well that is in use on the effective date of the annexation and is in compliance with applicable rules and regulations shall be permitted and such use may continue until the subject property owner requests and is able to connect to the City's water utility system.

B. Wastewater service and maintenance of wastewater service as follows:

(i) Inspection of sewer lines as provided by statutes of the State of Texas.

(ii) (a) In accordance with the applicable rules and regulations for the provision of wastewater service, wastewater service will be provided to the subject property, or applicable portions thereof, by the utility holding a wastewater CCN for the subject property, or portions thereof as applicable, or absent a wastewater CCN, by the utility in whose jurisdiction the subject property, or portions thereof as applicable, is located, in accordance with all the ordinances, regulations, and policies of the City in effect from time to time for the extension of wastewater service. If connected to the City's wastewater utility system, the subject property owner shall construct the internal wastewater lines and pay the costs of line extension and construction of facilities necessary to provide wastewater service to the subject property as required by City ordinances. Upon acceptance of the wastewater lines within the subject property and any off-site improvements, wastewater service will be provided by the City utility department on the same terms, conditions and requirements as are applied to all similarly situated areas and customers of the City, subject to all the ordinances, regulations and policies of the City in effect from time to time. The wastewater system will be accepted and maintained by the City in accordance with its usual policies. Requests for new wastewater line extensions will be installed and extended upon request under the same costs and terms as with other similarly situated customers of the City. The ordinances in effect at the time a request for service is submitted shall govern the costs and request for service. The continued use of a septic system that is in use on the effective date of the annexation and is in compliance with all applicable rules and regulations shall be permitted and such use may continue until the subject property owner requests and is able to connect to the City's wastewater utility system.

C. Maintenance of streets and rights-of-way as appropriate as follows:

(i) Provide maintenance services on existing public streets within the subject property and other streets that are hereafter constructed and finally accepted by the City. The maintenance of the streets and roads will be limited as follows:

(A) Emergency maintenance of streets, repair of hazardous potholes, measures necessary for traffic flow, etc.; and

(B) Routine maintenance as presently performed by the City.

(ii) The City will maintain existing public streets within the subject property, and following installation and acceptance of new roadways by the City as provided by city ordinance, including any required traffic signals, traffic signs, street markings, other traffic control devices and street lighting, the City will maintain such newly constructed public streets, roadways and rights-of-way within the boundaries of the subject property, as follows:

(A) As provided in C(i)(A)&(B) above;

(B) Reconstruction and resurfacing of streets, installation of drainage facilities, construction of curbs, gutters and other such major improvements as the need therefore is determined by the governing body under City policies;

(C) Installation and maintenance of traffic signals, traffic signs, street markings and other traffic control devices as the need therefore is established by appropriate study and traffic standards; and

(D) Installation and maintenance of street lighting in accordance with established policies of the City;

(iii) The outer boundaries of the subject property abut existing roadways. The property owner agrees that no improvements are required on such roadways to service the property.

(3) **Capital Improvements.** Construction of the following capital improvements shall be initiated after the effective date of the annexation: None. Upon development of the subject property or redevelopment, the landowner will be responsible for the development costs the same as a developer in a similarly situated area under the ordinances in effect at the time of development or redevelopment. No additional capital improvements are necessary at this time to service the subject property the same as similarly situated properties.

(4) **Term.** If not previously expired, this service plan expires at the end of ten (10) years.

(5) **Property Description.** The legal description of the subject property is as set forth in the Annexation Ordinance and exhibits attached to the Annexation Ordinance to which this Service Plan is attached.

RE: Whataburger – Manor Variance Letter of Intent

Whataburger - Manor
12003 E. US 290 Hwy EB
Manor, Texas 78653
Lot 7 Block A Replat Manor Commons SW

Dear Mr. Dunlop:

As the Engineer for the proposed Whataburger restaurant in Manor, TX; we have prepared this letter in accordance with the City of Manor's requirements for a zoning ordinance variance to allow the following items:

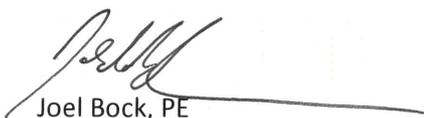

1. Ordinance No. 185, Article II, Section 20.m.iii, Ordinance No. 185, Article II, Section 20 Chart 4 & Ordinance No. 185-H Section 44. According to Ordinance No. 185-H Section 31; the Heavy Commercial "C-2" zoning district has been amended to allow "Restaurant – Drive Through" as a permitted use. According to Ordinance No. 185, Article II, Section 20 Chart 4; the minimum parking requirements for "Restaurant – Drive Through" are "one space for every four seats provided for customer service". According to Ordinance No. 185, Article II, Section 20 Chart 4; the maximum parking spaces allowed are 150% of the parking required pursuant to Chart 4.

Request: As this project, with 88 seats in a 3,583 square foot restaurant, meets the minimum parking requirements of 1 stall per 4.0 seats, the variance request is to be allowed to build parking based on a ratio that has been vetted in numerous restaurant sites of this size and type all over the State. The ratio requested is to exceed the maximum number of stalls based on seating and we request a ratio of 1 stall per 2.4 seats to be granted with this variance. The project requirements for landscaping and other City requirements can be met for all other aspects of the project.

We thank you for your consideration of this variance request and welcome your comments anytime.

Sincerely,

Jacobs Engineering Group Inc.

Variance/Waiver Justification

Variance/Waiver Justification:

NOTE: The reviewing entity must determine the existence of, sufficiency of and weight of evidence supporting the findings described below. Therefore, you must complete each of the applicable Findings Statements as part of your application. Failure to do so may result in your application being rejected as incomplete. Please attach any additional support documents.

REASONABLE USE:

1. The zoning regulations applicable to the property do not allow for a reasonable use because:

Restaurant parking regulations have a minimum of one space for every four seats and a maximum of 150% of the parking required.

HARDSHIP:

2. (a) The hardship for which the zoning change or variance/waiver is requested is unique to the property in that:

As this project, with 88 seats in a 3,583 square foot restaurant, meets the minimum parking requirements of 1 stall per 4.0 seats, the variance request is to be allowed to build parking based on a ratio that has been vetted in numerous restaurant sites of this size and type all over the State. The ratio requested is to exceed the maximum number of stalls based on seating and we request a ratio of 1 stall per 2.4 seats to be granted with this variance. The project requirements for landscaping and other City requirements can be met for all other aspects of the project.

- (b) The hardship is not general to the area in which the property is located because:

The restaurant is proposed in the front of the new Walmart project and is adjacent to other restaurants. Through parcel size negotiations as part of the transaction with the seller, the resulting restaurant size of 3,583 square feet was chosen to fit on the land and meet the project requirements and the subsequent parking ratio from other statewide projects that has become a standard of this Restaurant Owner and all it brings to the Cities it builds in.

AREA CHARACTER:

3. The zoning change or variance/waiver will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:

Granting this variance will not impair the purpose of the regulations or the adjacent properties as this district is a retail and restaurant district in the growing City of Manor and the additional stalls will make it easier for restaurant patrons to park and utilize the facility and likely others nearby.

NOTE: The reviewing entity cannot grant a zoning change or variance/waiver that would provide the applicant with a special privilege not enjoyed by others similarly situated or potentially similarly situated.
