The Special Election of the City shall be held on Tuesday, November 7, 2023, for the purpose of submitting to the qualified registered voters of the City of Manor the following ballot propositions:

City of Manor Proposition A: Economic Development

The City Council of the City of Manor, Texas, to be authorized, by a simple majority vote of the qualified registered voters of the City, to issue general obligation bonds in an amount not exceeding $100,000,000 to fund the City’s economic development programs, including but not limited to the development of parks and recreation projects, the acquisition of real property, the construction of new recreation facilities, and the acquisition of airport facilities, and the preparation and implementation of comprehensive economic development plans, programs, and projects.

City of Manor Proposition B: New Recreation Center and Other Parks and Recreation Projects

The City Council of the City of Manor, Texas, to be authorized, by a simple majority vote of the qualified registered voters of the City, to issue general obligation bonds in an amount not exceeding $50,000,000 to construct and equip a new recreation center and to provide for the acquisition and improvement of park and recreation facilities and other related projects.

City of Manor Proposition C: A New City Hall/Library Facility

The City Council of the City of Manor, Texas, to be authorized, by a simple majority vote of the qualified registered voters of the City, to issue general obligation bonds in an amount not exceeding $50,000,000 to construct and equip a new city hall/library facility for the City, to provide for the acquisition and improvement of related facilities, and to provide for the payment of the principal of and interest on the outstanding bonds of the City issued for the purpose of funding the construction or improvement of the new city hall/library facility.

The issuance of the bonds described in these propositions shall be subject to the approval of the holders of the outstanding general obligation bonds of the City issued for the purpose of funding the construction or improvement of the new city hall/library facility, and/or the issuance of such bonds shall be subject to the approval of the holders of the outstanding general obligation bonds of the City issued for the purpose of funding the construction or improvement of the new recreation center and other parks and recreation projects.

FISCAL IMPACT ANALYSIS

The issuance of the bonds described in these propositions shall be subject to the approval of the holders of the outstanding general obligation bonds of the City issued for the purpose of funding the construction or improvement of the new city hall/library facility, and/or the issuance of such bonds shall be subject to the approval of the holders of the outstanding general obligation bonds of the City issued for the purpose of funding the construction or improvement of the new recreation center and other parks and recreation projects.

TOTAL OF THE PROPOSAL: $150,000,000

The issuance of the bonds described in these propositions shall be subject to the approval of the holders of the outstanding general obligation bonds of the City issued for the purpose of funding the construction or improvement of the new city hall/library facility, and/or the issuance of such bonds shall be subject to the approval of the holders of the outstanding general obligation bonds of the City issued for the purpose of funding the construction or improvement of the new recreation center and other parks and recreation projects.
